

DR. HARDMAN TAKES POST AS GOVERNOR OF GEORGIA TODAY

SIMPLE CEREMONY ON CAPITOL LAWN IS SET FOR NOON

Governor Walker Pleads
For "Wider Vision" in
Farewell Message Be-
fore Assembly Friday.

FLOOD OF BILLS OFFERED IN HOUSE

Interesting Legislative
Proposals Found in Over
50 Measures Introduced
at Short Session.

Georgia's "ship of state" will be
commanded by a new skipper after 12
o'clock Saturday, when Dr. Lamartine
G. Hardman, of Commerce, is
sworn in as Georgia's fifty-sixth
governor to succeed Governor Clifford
Walker. Final plans for the inaugural
ceremony were adopted by the two branches
of the legislature at their sessions Fri-
day. The governor delivered his re-
tiring message at a joint session held
Friday, while Dr. Hardman will sound
the keynote of his administration in
his inaugural address today.

Inaugural ceremonies will be car-
ried out under the direction of Ad-
jutant General Charles H. Cox, head
of the state military department. The
oath of office will be administered by
Chief Justice Richard B. Russell, of
the supreme court. One of the fea-
tures of the ceremony will be the ap-
pearance of a large delegation from
Dr. Hardman's home town, Commerce.

The honorary escort from the senate
and house, appointed by presiding offi-
cers of those bodies, will be composed
of the following: Senators
Bowen, 47th district; Jordan, 15th;
Stephens, 32d; Williams, 45th; Mil-
ler, 40th; Drake, 8th, and Key, 28th,
and Representatives Alexander, of
Chatham; Erwin, of Clarke; Atwell,
of Cobb; Thrash, of Coffee; Zellars,
of Hart; Lord, of Jackson; Rutland,
of Lee; Neill, of Muscogee; Pilcher,
of Richmond; Bensley, of Taittall;
and Rountree, of Emanuel.

Open Air Ceremony.
The house and senate Friday were
invited by Dr. and Mrs. Hardman to
attend a reception to be given at the
governor's mansion, 205 Prado, An-
sley park, from 3:30 to 5:30 o'clock
Saturday afternoon. The members
will meet Dr. and Mrs. Hardman and
their family, the president of the sen-
ate and his family and the speaker
of the house of representatives.

Inaugural exercises will be held on
a platform erected on the lawn of the
capitol near the corner of Washing-
ton and Mitchell streets. A large
crowd of out-of-town visitors was on
hand in Atlanta Friday night ready
for the occasion.

The official program for the in-
augural ceremonies was announced Fri-
day afternoon by Adjutant General
Cox as follows: "Dear Old Georgia,"
by the chorus club of Commerce,
words and music by Carland Sherry,
of Commerce.

Prayer by Dr. W. H. Wrighton, of
Commerce.
Resolutions.
Oath of office, to be administered
by Chief Justice Richard B. Russell,
of the Georgia supreme court.
Receive the seal.
Song, "Georgia," words and music
by Charles M. Gibbs, of Savannah.
Address by Dr. Hardman.
Senator E. B. Dykes, president of
the senate, will act as master of cere-
monies.

The choir from Commerce which
will give a series of musical numbers.

Takes Helm of State Ship

Dr. Lamartine G. Hardman, who will assume command of the state government today as Georgia's 56th governor. Although approaching 70 he retains the vigor and vitality of a man 20 years his junior and will attack the problems of state with the energy which has marked his political and business career for the past 50 years.

TOCCOA MAN FLEES VIOLENCE THREATS AIR MAIL HANGAR BIDS ARE SOUGHT

James Ayers, Who Aided
Woman Flogged by
Masked Men, Becomes
Mentally Deranged.

Another chapter was written in
alleged lawless conditions in Stephens
county, resulting in flogging of Mrs.
Ansel Bowers and others near Toccoa,
when James Ayers, a farmer, be-
came unbalanced Friday following
receipt of threatening letters he
purported to be from the Ku Klux
Klan, according to the news dis-
patches received by The Constitution.

Mr. Ayers was the man who found
Mrs. Bowers after she had been flog-
ged early Sunday morning, June 12,
and carried her back to Toccoa. After
he had aided Mrs. Bowers he received
several threatening letters and began
to brood over the situation and when
more threats were made against him,
his condition became such that he was
placed in the Toccoa jail, where he is
being held pending removal to the
state insane asylum at Milledgeville.

In his delirium Mr. Ayers repeat-
edly cried out, "The Ku Klux Klan
is going to get me." When friends
first attempted to take Ayers to a
jail for safe keeping he escaped from
them and fled into the coun-
try. He was chased many miles
into Banks county, where he was
captured. When his friends finally
caught him he fought back at them
madly and begged them "not to
turn him over to the Ku Klux Klan,"
according to the dispatches.

The mental condition of Ayers, who
is said to be a quiet-mannered farmer
of excellent reputation, is the latest
development in the series of whippings
attributed by victims to the Ku Klux
Klan, and for which four men are now
under arrest under bond charged with
participation in the outrages.

Mrs. Bowers was taken from her
home, her clothing removed and she
was found alive.

WOOD RETURNS TO PHILIPPINE POST IN FALL GIANT AIR FIRM POST OFFERED TO LINDBERGH

Governor General In-
forms President He Is
Willing To Serve as
Long as He Is Needed.

OPPOSES DEMAND FOR INDEPENDENCE PLANS CONNECTION OF MANY CITIES

Wood Declares Islands
Have Prospered But
People Not Yet Able To
Govern Themselves.

BY PHILIP KINSLEY.
(By Leased Wire to The Constitution and
The Chicago Tribune.)

Rapid City, S. D., June 24.—Presi-
dent Coolidge expects that Major Gen-
eral Leonard Wood, who was his over-
night guest at the summer white house,
will be able to resume his duties as
governor general of the Philippine
islands in September.

General Wood, who received news-
paper correspondents at the lodge this
afternoon at the president's sugges-
tion, said he had no intention of quit-
ting as long as the president wanted
him on this job.

General Wood is badly battered up
from operations, automobile wreck and
an accident on shipboard which cracked
three ribs, but he has all his old
indomitable fighting spirit and much
of mental alertness.

Hurts To Breathe.
"I feel like a freight car that has
been in a smash-up," he said as he
sat on the porch of the same lodge.
"But my general physical condition
is excellent. It hurts to breathe be-
cause of the ribs, but I will carry on
and finish my job. I expect to go to
Chicago, Washington and then New
York and am anxious to get back to
Manila before the legislature meets."

It was recalled to the general, as
he sat in Dakota territory, that the
state, in 1920, was the first to give
him a primary vote for president. At
the same time voting for Mr. Coolidge
for vice president.

General Wood would not discuss
politics at all, but several times spoke
of the fine support given him by the
president and said that the action of
the president in supporting his
(Wood's) veto of a Philippine bill
on independence was the best analysis
of that situation he had ever seen
had been broadcast in the islands by
radio and had had a good effect there.

Wary Cowboy Hat.
General Wood wore a cowboy
sombre presented him as he passed
through Billings and sat in his chair
throughout the hour's interview. Mrs.
Wood wore a wide-brimmed hat and
her Filipino servant had to help
him when he arose. He declared that
through all his physical troubles his
temper and blood pressure were quite
normal, and his fellow travelers ex-
pect that he will be in shape to go to
the Orient again after two months
rest.

The general discussed island con-
ditions and said that America should
hold on indefinitely, that to give the
Philippines independence would be like
giving away the store.

ATLANTA BUILDING SHOWS BIG JUMP MAYOR APPROVES ANNEXATION VOTE

Contracts Awarded in
May More Than Double
April; 58 Per Cent Over
May, 1926.

New York, June 24.—(Special).—
Building and engineering contracts
awarded during May in Georgia
amounted to \$4,835,100, according to
F. W. Dodge corporation. Of this
amount, \$1,821,100 was for work
started in Atlanta. The figure for the
state was 16 per cent over April,
but was 28 per cent over May of last
year. Atlanta's total was more than
double the amount reported in April
and was 58 per cent over May, 1926.

Analysis of last month's construc-
tion record for Georgia showed the
following important classes of work:
\$2,750,700, or 40 per cent of all con-
struction, for residential buildings;
\$2,605,000, or 38 per cent, for public
works and utilities; \$544,500, or 8
per cent, for commercial buildings;
and \$346,900, or 5 per cent, for so-
cial and recreational projects.

Included in the May building re-
cord for Atlanta were the following
items of importance: \$1,154,000, or
63 per cent of all construction, for
residential buildings; \$230,100, or 13
per cent, for commercial buildings;
\$209,000, or 11 per cent, for social
and recreational projects; and \$108,
000, or 6 per cent, for industrial
plants.

Construction started in Georgia dur-
ing the past five months has reached
a total of \$20,885,000, as compared
with \$40,840,400, during the first
five months of last year, being a
decrease of 27 per cent. Total con-
struction reported in Atlanta during
the past five months amounted to
\$7,970,000, being 24 per cent under
the amount reported in the corre-
sponding five months of 1926.

SPECIAL U. S. PACT WITH JAPAN IS SEEN AS PARLEY RESULT

Governor-Elect Chooses
32 for Posts on Staff

NINE ATLANTANS HONORED BY HARDMAN

The official staff selected by Gov-
ernor-elect Hardman was announced
Friday night by the governor-elect.
There will be 32 officers on the staff
nine of whom are Atlantans. Colonel
J. C. Woodward, head of Georgia
Military academy, will serve as chief
of staff.

For 27 years Colonel Woodward
has served as head of the Georgia
Military academy at College Park,
and during this time he has devel-
oped the school into one of the high-
est ranking military colleges in the
country. He is a close personal friend
of Governor-elect Hardman and is
prominent in educational and military
circles throughout the country.

Before he came to College Park
Colonel Woodward served as presi-
dent of Georgia Military college at
Milledgeville, as superintendent of
schools at Newnan three years and
as vice president of Gordon institute
at Barnesville for two years. He has

served on the official staffs of Gov-
ernors Candler, Terrell, Smith and
Slaton.

The new staff, as announced Fri-
day night, is composed of the follow-
ing members: Colonel J. C. Wood-
ward, College Park, chief of staff;
Dr. O. E. Shaukley, Commerce; J. H.
Jarrett, Center; Frank T. Kidd, Har-
well; William C. Massey, Thomas-
ville; Gordon W. Chambers, Augusta;
E. L. Roberts, Atlanta; Dr. Stewart
H. Brown, Royston; Charles E.
Perkinson, Butler; Colonel F. J. Pax-
on, Atlanta; Major Clark Howell, Jr., At-
lanta; Dr. Tiffany Wilson, Savannah;
John Hale, Mayville; Colonel John
West, Dahlonega; Major Robert W.
Woodruff, Atlanta; T. Fort Hicks,
Columbus; Frank Seale, Bruns-
wick; Dr. W. M. McCord, Rome;
Jack Carithers, Winder, and W. T.
Anderson, Macon.

JOHNS TAKES POST ON PRISON BODY ASA W. CANDLER NEW LEGION HEAD

Winder Attorney Accepts
Position Left Vacant by
Death of Judge Patter-
son.

George A. Johns, lawyer of Winder,
Friday was named a member of the
state prison commission by Governor
Walker, to fill the vacancy created on
the death of the late T. R. Patterson.

The governor previously had extend-
ed the appointment to Sam A. Nunn,
of Perry, and to U. B. Whipple,
of Cordele, both of whom declined it.
Johns was sworn into office late
Friday, immediately upon accepting
the appointment. The Georgia prison
commission is composed of three mem-
bers.

Mr. Johns is one of the most promi-
nent legislators of the state, having
served several terms in both the upper
and lower houses. Through his active
law practice and varied interests he is
considered one of the most influential
citizens of Winder.

Artistic Soul To Win Girl Beauty Prize

Germany Offers New Idea

tests.

BY SIGRID SCHULTZ.

The Chicago Tribune.)

Berlin, June 24.—America may think
it has the best looking girls in
its movies and beauty contests. Ger-
many's "national association for beau-
ty contests" declares in a proclama-
tion issued today, but Germany's
beauty organization has a rival for
American girls.

"The product of Charleston culture
—the modern girl—will be superseded
by the ideal woman, reflecting the
beautiful German soul," says the as-
sociation.

To insure a high artistic soul stand-
ard the board has elected the writers
Hermann Sudermann and Rudolph
Herzog as experts to look out for
the soul, while the famous sculptor of
Bismarck monuments, Hugo Lederer,
and the painters, Herr Stuck and Herr
Habermann, the latter a specialist in
landscape painting, will serve as ex-
perts on beauty of line and color. It
is hoped that their teamwork will find
the ideal German maiden whose beau-
tiful soul will help her outshine the
beauties of the world.

Patient Kills Doctor MINER HOLDS GRUDGE FOR SEVEN YEARS En Route to Hospital

Indiana, Pa., June 24.—(P)—The
successful treating of a broken back
seven years ago by Dr. Frank Fisher
Moore, well-known Homer City physi-
cian and surgeon, was believed by the
authorities tonight to have led to the
murder of the doctor and the suicide
of the man he saved from being a help-
less cripple.

Seven years ago the doctor was
called on to treat John Ammorian, a
Cokeville coal miner, whose back was
broken in a mine accident. The doc-
tor placed the election under coun-
cil on nomination of ward delegates.

PERPETUAL PEACE TREATY PROPOSAL MAY BE OFFERED

Impression Prevails, De-
spite Denials, That Ja-
pan Soon May Suggest
Separate Pact.

PROGRESS MADE AT CONFERENCE

Japan Yields Point on
Submarines and Britain
and United States Are
Nearing Agreement.

Geneva, Switzerland, June 24.—(P)—
The possibility that the American gov-
ernment and people may soon have to
decide whether they wish to negotiate
a perpetual peace pact with Japan is
now looming as an outgrowth of the
tripartite naval conference at Geneva.

The Japanese delegates to the con-
ference deny that they have made any
overtures on this subject and Hugh S.
Gibson, head of the American delega-
tion, has made a similar denial, but
the impression nevertheless prevails in
authoritative circles that Admiral Vi-
count Saito, head of the Japanese de-
legation and a close counsellor of the
emperor, may suggest some sort of
treaty outlawing war between Japan
and the United States to supplement
the four-power pact which was created
at the Washington conference as a
substitute for the Anglo-Japanese al-
liance.

It is believed that before making
any overtures officially, the Japanese
would want to receive some assurance
that such overtures would have a rea-
sonable chance of meeting favorable
consideration. In this connection it
is felt likely that the conclusion of
such a pact, perhaps along the lines
of the suggested Franco-American
treaty, might influence Japan's atti-
tude in her demand for a higher pen-
cote in auxiliary warships than the
5-5-3 ratio established at Washing-
ton for capital ships.

IMPORTANT PROGRESS MADE AT CONFERENCE

BY KENNY WALKER.
(Copyright, 1927, by The Constitution and
The Chicago Tribune.)

Geneva, June 24.—Important pro-
gress has been made by the naval dis-
armament conference.

First, Great Britain and the United
States have indicated Japan to aban-
don its proposals of unlimited air-
crafts below 700 tons displacement.
The number of submarines of all
sizes to be limited to a proportionate
rate.

Second, the three powers are in ac-
cord in principle regarding the maxi-
mum size of submarines. The actual
tonnage of the largest underwater
craft is not yet settled, but 1,000 tons
informed it will be around 2,000 tons.

Although this will make a total of
400,000 tons larger than Great Brit-
ain's proposed, it still means a sacrifice
on the part of the United States,
as Washington wished to retain ac-
counting submarines capable of accom-
panying capital ships.

HOPE IS REVIVED FOR FRENCH ACES BY INDIAN RUMORS

(Copyright, 1927, by The Constitution and
The Chicago Tribune.)

Quebec, Canada, June 24.—Word
that Indians in the Peribonka river
district were coming south carrying
two white men back in need of medi-
cal treatment again roused hopes
to-night that Captains Nungesser
and Coli, missing French fliers, may be
found alive.

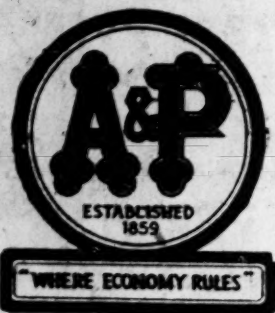

Gustave Picke, chief of the forestry
service of the province, left immedi-
ately for Chicoutimi on the receipt of
the news.

Following the announced policy not
to make public any information that
might raise false hopes in France,
government officials refused to make
a statement, or to comment on the
new information that has been re-
ceived.

LOUISVILLE BUS COMPANIES MUST GET FRANCHISES

Frankfort, Ky., June 24.—(AP)—Automobile buses can not be operated on the streets of Louisville in competition with the franchised Louisville Railway company without obtaining a franchise, the court of ap-

peals ruled today in deciding an injunction case against the Peoples Transit company. The case did not apply to interurban carriers, the court declared.

Affirming an opinion by the Jefferson circuit court, the appellate court held that payment of license and city taxes did not give the bus company the right to operate on city streets.

The railway company successfully

THIRD DEGREE DRY METHOD HIT BY DIRECTOR

Washington, June 24.—(United News.)—An investigation into charges that Major August Heise, assistant prohibition commissioner of New York, used third degree methods in obtaining a dry law violation confession, was ordered today by Prohibition Commissioner Doran.

"That is one thing we will not stand for," Doran said. "An investigation is necessary and we will go to the bottom of the charges."

Doran also announced that Frank Hale, assistant chief of the alcohol squad of New York, had been dismissed from the service.

THREE DE AUTREMONTS START PRISON TERMS

Salem, Ore., June 24.—(AP)—Prison gates closed on the three de Autremont brothers today as they began serving life sentences for four murders committed in the Skokiyon mountain train holdup of October, 1923.

While they were being put through penitentiary routine and given their prison garb, they were hanged in effigy in Ashland, not far from the scene of the crime which each of the brothers confessed.

Popular feeling at Ashland, home of Charles O. Johnson, the Southern Pacific brakeman, one of the four men killed in the holdup, stirred several hundred citizens to participate in a hanging bee, in which dummies labeled Ray, Roy and Hugh were strung up. Ashland people were indignant because the brothers had escaped death sentences.

On their way to the prison from the train the brothers consented to be photographed. Ray interposed on condition—that one of the pictures be sent to his wife, Hazel de Autremont, at Hanging Rock, Mo.

Their minds freed from the burden of secret they had carried for

BAD WEATHER HALTS BYRD FLIGHT AGAIN

Roosevelt Field, N. Y., June 24.—(AP)—A "bad condition" over this side of the Atlantic ocean, which, like a bad case, refused to break up tonight, was the eleventh time in a row to keep the monoplane "America" delayed at home, where it may remain until Sunday or even later.

All set for its sortie to Paris, the big three-motored craft rested at the top of the runway on Roosevelt field all day, as motionless but taut as when it was first run up the incline late yesterday for the take-off at dawn that was not to be. Forecaster Mear kept his weather eye open all day—to no avail.

Today he finally said: "It is very unlikely the conditions will clear in time for a take-off tomorrow morning, and there doesn't seem to be much hope for favorable conditions Sunday morning."

"There has been a bad condition over the east for the last ten days or two weeks. Last night it looked as if it might break up. It didn't. And until it does it wouldn't be much use taking off."

FLASK OFFENDERS TO BE ARRESTED

Washington, June 24.—(United News.)—Return to the federal prohibition policy of going after big violators was announced tonight by Seymour Lowman, new assistant secretary of the treasury in charge of prohibition enforcement.

This is a reversal of the policy of Lowman's predecessor, General Jimmie C. Andrews, who has just retired. Soon after Andrews took office he announced that the federal government could not undertake to run down big flask offenders. That would have to be done by local authorities, Andrews said. He said he would concentrate on blocking the big sources of supply, the main flows and the wholesale alcohol bootleggers, and big liquor syndicates.

"My policy will be to enforce the law in its entirety within this means provided," Lowman said. "Of course it will be difficult to police the entire country with the men at our disposal but there will be no winking at the small violators."

A law violator is a violator of the federal statutes whether the offense is large or small and all will be dealt with on an equal basis. This policy will be more in accord with the desires of the Anti-Saloon League, which was the policy of Haynes, and there was criticism among drys when Andrews superseded Haynes and changed the policy.

War Secretary Sanctions Army Jump to Hawaii

Washington, June 24.—(United News.)—Sanction was given today by Secretary Davis to a California-to-Hawaii flight by Lieutenants Lester J. Maitland and Albert F. Hippenberger of the army air corps. The flight will be attempted within the next few weeks, dependent upon weather conditions and a checkup of the three-motored C-Pokker which will be used.

The take-off for the 2,407-mile flight will be from the army air base at Oakland, on San Francisco bay where a special runway is being prepared. Secretary Davis, having in mind the claims of the army in claiming honors in aerial feats and the close proximity of San Francisco, Oakland and other cities around the bay, decided to put the prospective flight down on the record as the "Golden Gate-Hawaiian" flight. A landing may be made, dependent upon circumstances, at one of several points in the islands, but it is expected that the two aviators will try to come down at Honolulu.

The war department emphasized again today that the flight was being undertaken for its military value alone and that it has no connection with the contest among other aviators for prizes offered by the state of Hawaii. The two army aviators will not be eligible to receive prize money if they are the first to complete the trip.

BANK CREDITORS GIVEN \$1,382,005 SINCE JANUARY 1

Creditors of liquidating banks in Georgia were paid during the last fortnight \$1,382,717 in dividends by the state banking department. A. B. Mobley, state superintendent of banks, announced yesterday. Since January 1 the department has paid creditors of closed banks in the state dividends totaling \$1,382,005.10, it was said. Of this amount, common depositors received \$889,402.35 and preferred claimants \$492,542.75, the report said. The largest dividend distribution in the ten-day period ending June 21 was that of the Citizens Bank of Moultrie, \$34,223.72, the report said. This represented a 10 per cent dividend, the second dividend of that amount paid since the liquidation of that bank began.

WOMAN BOUND OVER ON BURGLARY CHARGE

Miss Lillie Dorne, 30, of 378 Boulevard, N. E., was bound over Friday morning to the Fulton county grand jury under \$1,000 bond on a charge of burglary following a preliminary trial before Judge A. W. Callaway in recorder's court.

The defendant was arrested about 2 o'clock Thursday morning by Call. Officers Carroll and Hardy in a grocery store operated by S. E. Nissenbaum, 602 Boulevard, N. E. Miss Dorne told Judge Callaway she had been in the store and "just had to have something to eat." She was found eating crackers and peaches when the officers walked in the store and discovered her.

South African Youth Victor In Oratory Tests

Los Angeles, June 24.—(U. P.)—H. J. Oberholzer, 28, junior of North Carolina State college, won the third national intercollegiate oratorical contest here last night. The youth was born in the Orange Free State, South Africa, had been in the United States but a year. He received a prize of \$1,500.

Others to place were: Symerton, University of Northwestern university, second; Ray, of Northwestern university, third; Beach, University of Maryland, fourth; Cusack, Dartmouth, fifth; Moscovitz, Rutgers university, sixth; Kroll, Mortons college, Sioux City, Iowa, eighth.

The native of the African visit and descendant of the Boers, displayed such a knowledge of the constitution of the United States, amassed in his scant 12 months' residence under its guardianship, that he was declared a veritable "constitutional evangelist."

Oberholzer eloquently and fervently painted the American constitution as not a mere political, but the entire world.

MARINES ORDERED FROM NICARAGUA

Washington, June 24.—(United News.)—Half of the American marines in Nicaragua have been ordered, the navy department announced.

The department's formal announcement indicated the entire force was being withdrawn, but investigation disclosed that 1,500 are being returned, and that about the same number will be left there for the time being.

Although peace apparently has been established, the experience following the previous complete withdrawal of American marines several years ago was so discouraging that the United States will be slow to retire completely.

Some marines will be necessary in any event to supervise organization of the Nicaraguan constabulary, and to police the 1928 elections, both arrangements having been agreed to by both Nicaraguan factions in the recent peace agreement.

The U. S. S. Argonne will bring the first contingent of 353 officers and men to the country. They will be returned to Quantico, Va.

In Three Sections. If conditions in Nicaragua permit the Argonne will on its second trip take away 410 marines and officers to San Diego, Cal.

If conditions are still satisfactory, then the Argonne will take a third contingent of 640 to Haiti and Quantico.

This withdrawal is the result of the peace agreement arranged between the Nicaraguan factions through the intervention of the United States. Negotiations were conducted by Henry J. Stimson, who went as the president's personal representative. He ordered both armies to yield their arms, and a peace agreement was made providing for American supervision of the 1928 presidential election.

The Nicaraguan episode began when the United States recognized Adolfo Diaz as president of Nicaragua early in 1926. Diaz was a man who had been elected vice president, claimed the office, claiming Diaz and his friend, Chamorro, had forced the incumbent to resign and usurped the place. The United States recognized Diaz, Mexico recognized Sancho. Fighting began and the United States marines in Nicaragua were sent to protect American lives and property and to actually to bolster up Diaz and suppress the rebellion.

The only American casualties during the occupation were two marines killed and two wounded. It was said at the navy department.

French Warm To Statement Of Stresemann

Paris, June 24.—(United News.)—Additional United States marines are being sent to China, Admiral William D. Dorr, secretary of the navy department today. A force of 1,150 was shifted from Shanghai and dispatched later.

Stresemann's statement that he is the defender of the Locarno pact, threatened, is upheld in various French papers. Naturally, the left bloc, which has been encouraged by the government's failure to muster more than a majority of two votes for the resolution of the leader of the communists, is making use of Dr. Stresemann's statement to charge against Premier Poincare.

PACIFIC FLIGHT IS COMPLICATED

San Francisco, June 24.—(U. P.)—New complications arose today, threatening to delay the start of Ernest L. Smith, of San Francisco, and Captain Charles F. Carter, of Los Angeles, on their San Francisco-Honolulu non-stop flight. They were notified that they could not use Crissy field, the government airport, in their test flight.

Edmund J. Moffett, San Francisco real estate dealer and one of the Smith-Carter backers, declared he would appeal to Secretary of War Davis for permission because there is no other field here equipped to accommodate the plane in its tests.

Officially, the proposed flight of Crissy field, emphatically denied the rumor that the fliers were refused use of the field because the army, officially, sanctioning the proposed Oakland-Honolulu flight, is eleven days late. Maitland and Albert Hippenberger, did not want to jeopardize their own efforts by favoring the competing civilian.

"That idea is silly," Major Evmons said. "I notified Moffett this morning as soon as I learned he planned to test the field. It is not merely a matter of regulations. No civilian flier can use the army field without permission from the secretary of war."

Crissy field is near where Moffett's men are assembling their craft. They expected to truck the ship to the airport, but it was not to be. Tomorrow, put on the wings there and make several test flights under full loads.

Meanwhile Walter F. Parkin, of Los Angeles, was expected to arrive in accordance with orders from Washington, to inspect the Smith-Carter plane.

MAY CONSOLIDATE SCHOOLS, SAYS COURT

A county board of education has the right to consolidate two or more school districts, or parts of districts, at any time when, in their judgment, the best interests of the schools under their jurisdiction require the change, the Georgia supreme court said today in reversing the Burke county superior court's decision in the case of J. H. Holden and others against the Burke county board of education.

"Should as many as one-fourth of the patrons of the said school or schools object to consolidation," the supreme court said, "it shall be the duty of the county superintendent to call a special election in the district or districts affected, giving at least 30 days previous notice of such election. If at this election a majority of the people vote for consolidation, and if a majority vote against consolidation, they shall not."

The case grew out of the consolidation of the Hough district school, in Burke county, with two other district schools, Vidette and St. Clair. Patrons of the Hough school had petitioned the Burke superior court to issue an injunction against the board of education from consolidating the schools, which the superior court granted. The board of education then appealed the decision to the supreme court, which dismissed the injunction.

Sheriff's Widow Denies Murder Of Her Husband

Greenlee, S. C., June 24.—(U. P.)—Jointly accused by her husband's former deputy and intimate friend of the murder two weeks ago of Sheriff Sam D. Willis, Mrs. Ethel Willis, his widow, was sworn upon her early today on warrants issued by county authorities.

Former deputy Sheriff Henry S. Townsend, a close friend of the sheriff, who was reported to have been a visitor in the Willis home shortly before the officer was mysteriously slain last night, was sworn upon her early today on warrants issued by county authorities.

Both Townsend and Mrs. Willis, the mother of four children, all girls, have asserted their innocence and officers have guarded details of the evidence upon which their arrests were based.

A formal statement from the slain officer's family, expressing confidence in Mrs. Willis' innocence, was issued immediately after she was placed under technical arrest last night, when the warrant was served upon her.

She was permitted to remain in her home overnight under guard of two deputy sheriffs, but was removed to jail this morning. Townsend, dressed entirely in black, the widow was accompanied to the jail by her attorneys and members of her family.

Mrs. Townsend was with her until she was taken away in an automobile and had sat at the breakfast table with the widow, the latter's mother and the officers guarding her.

Mrs. Willis was in tears as she entered the jail and broke down after telling of her husband's death.

"I am as innocent as my 2-year-old baby and God will see that right is done," she said.

Her attorneys announced they would institute proceedings for her release on bail as soon as Solicitor J. G. Leatherwood, county prosecutor, returned to the city. He is expected back tomorrow from Columbia. Should the latter option be held in the case, the attorneys indicated they either would demand a magistrate's hearing to determine whether the state's evidence is sufficient to hold her without bail, or institute habeas corpus proceedings for her release.

Mrs. Willis' children are being cared for by a sister of the dead sheriff.

HELD UP, BEATEN, ROBBED OF MONEY BY UNKNOWN PAIR

M. A. Beecher, life insurance collector, of 443 Calhoun street, reported to police Friday that he was beaten into unconsciousness and robbed of \$53, and then dumped from an automobile in front of his home in the early hours of the morning.

Mr. Beecher told police that he remembered two men having asked him for cigarettes in the vicinity of Houston and Fort streets but remembered nothing else until he became conscious some time afterward in front of his home. Mr. Beecher said the two men, Hughes and Maddox, that he heard a car drive up to his door and, when she went out to investigate, found her husband lying on the sidewalk in the walk, his head damaged and showing signs of severe beating.

Group of Soil Experts Of World Visit Atlanta

With many of the world's foremost soil scientists, representing practically every European and South American country, about a special train bearing between 250 and 300 soil experts, arrived in Atlanta this morning at 3:45 o'clock and will leave at 1 o'clock for Athens, Ga., where the delegation will be the guests of Dr. A. M. Soule, president of the Georgia State College of Agriculture, studying soil conditions of this state and the various exhibits at the state college.

The entire delegation, representing the International Congress of Soil Science, the first of its kind ever at Atlanta, will be in the city for a week. The delegation will arrive from the University of Tennessee, in Knoxville, and after a day's visit to Athens will return to this city and leave tonight for Birmingham to continue a tour of various southern states, studying soil conditions and soil experiments.

The itinerary began at Washington, D. C. on June 23, following a nine-day meeting in the United States capitol, where many government officials and soil experts connected with the bureau of soils in Washington were principal speakers.

Time Limited. As the delegation is primarily a soil-studying group, and as the soil experts in the United States are among the chief topics of discussion during the tour of the southern states, according to local agriculture representatives, the time is very limited.

Included in the delegation is Sir John Russell, of England, one of the foremost soil experts of the world; Dr. L. E. Merriam, famous German scientist and soil expert; and Dr. H. H. Thompson, of China, Japan, India and ten representatives from the Russian government.

ARMY DIRIGIBLE REACHES BENNING AFTER GOOD TRIP

Columbus, Ga., June 24.—(U. P.)—The army dirigible TC-5 landed at Fort Benning at daybreak this morning after making a flight from Langley Field, Va. No announcement has been made of how long it will remain at the garrison.

Because of a slight mishap to one of the ship's elevators while en route here, Captain Stone, commander, is awaiting authority to go to Pensacola, Fla., for repairs.

Because of prominent direction signs at Covington, Ga., 40 miles northeast of Atlanta, caused the dirigible to circle the town late last night. Captain Stone said he was a woman the direction startled by the ship and voices from the air, the woman nevertheless was able to point the way and the crew resumed the flight immediately.

The dirigible will obtain aerial photographs of the terrain at Fort Benning and in the vicinity of Langley Field, Va.

WOMAN HEADS AUGUSTA CIVIL SERVICE BODY

Augusta, Ga., June 24.—(U. P.)—Mrs. L. S. Arrington was Thursday afternoon elected president of the civil service commission of Augusta to succeed Harry B. Jones, resigned. The governing body of the police and fire departments. Mrs. Arrington has served as president of the commission before, having held the office from June, 1922, to January, 1923.

Georgia Public Service Commission Will Meet In Brunswick July 11

Brunswick, Ga., June 24.—(U. P.)—Announcement was made today that the Georgia public service commission will hold a meeting in Brunswick on August 5 for the purpose of hearing arguments on a proposed revision of rates on naval stores between points in Georgia. The meeting was to have been held in Atlanta on July 11.

Leading naval stores factors throughout the south will attend, as will representatives of the various rail lines interested. The question is considered one of great importance to the naval stores industry.

M'CULLOUGH QUILTS BOND COMMISSION

John McCullough, member of the Atlanta bond commission from the eighth ward, has tendered his resignation to Mayor E. B. Griner, and the resignation was accepted today. Another representative will be selected from the eighth ward within a few days, the mayor said.

In his letter of resignation, Mr. McCullough pointed out that he has moved out of the eighth ward, and is no longer eligible to serve on the commission. This is the second resignation since Mayor Walter A. Sims named the commission last year preceding a bond election providing for 100,000 for civic improvements. The bond commission supervises expenditures of the money under the city ordinance creating it.

William Canine was forced to relinquish his post on the commission several months ago due to pressure of business.

BOY IN A SCENE OF NISBET DEATH

In an effort to get to the bottom of the mystery surrounding the death of Charles D. Nisbet, of Hapeville, Solicitor General John A. Boykin, accompanied by Special Investigator Fred K. Stephens and City Detective Starnes and Lanford Friday afternoon visited the Nisbet home.

The body of Nisbet was found in a garage in the rear of the Nisbet residence Tuesday morning with a bullet wound in the head which caused Nisbet's death a few hours later in a local hospital.

The findings of the solicitor and his aides were not revealed upon their return to the courthouse, but it was learned that the officers are working on certain well defined clues but have not yet arrived at a definite theory as to how Nisbet met his death.

Katie Nisbet, 14-year-old daughter of the victim, was questioned at length Friday morning by the officers who are working on the case but the nature of the statement made by the girl has not been revealed. It is said that Katie Nisbet was with her mother practically the entire time during which Nisbet was said to have been shot.

Nisbet, who is being held in a local hospital under guard "for questioning" in connection with the death of her husband, was reported Friday to be in a highly nervous state with her nerves shattered from the shock.

A coroner's jury Wednesday recommended that Mrs. Nisbet be held for murder, but no action was taken by the Fulton county grand jury Friday at its semi-weekly session. The case was not brought before the investigating body, but in the event that the clues materialize any definite theory of murder, the case will probably be presented to the grand jury next Tuesday.

THREE YOUTHS HELD FOLLOWING THEFT OF AUTO

Edward Waddell, 16, of Chattahoochee, Tenn.; Ralph Brown, 17, of 587 Payne street, and Raymond Mulkey, 17, of 609 Kennedy street, are being held at police station on blanket charges, while police are investigating their suspected connection with the theft of an automobile belonging to E. F. Cole, of 403 Chestnut street.

Mr. Cole reported the loss of his automobile to police Thursday and a short time afterward police headquarters received a call from Calhoun, Ga., that the car had been found there by the sheriff and the Waddell youth was in the car when it was discovered.

City detectives went to Calhoun and there en route to Atlanta with the stolen car and the Waddell youth, when the Brown and Mulkey boys hailed them for a ride. The boys were picked up and Waddell's said to have recognized them as the two who had left him with the car. The boys were given a ride all the way to police station by the detectives.

ZONE ADVOCATES START MOVEMENT TO GAIN SUPPORT

A move to enlist the unanimous support of the Georgia legislature to a proposed state constitutional amendment authorizing cities of Georgia to enforce zoning laws was launched Friday afternoon in the office of Mayor I. B. Bagdikian, of Atlanta.

Representatives of Fulton, DeKalb, Bibb, Chatham, Richmond, Muscogee, Glynn and Troup counties were invited to participate in the movement, and Senators Shelby Myrick, of the first district; Walter C. Hendrix, of the 35th district; I. S. Peoples, Jr., of the 38th district, and H. H. Thompson, of the 37th district, and Representative W. Paul Miller, of Muscogee, were selected as a committee to devise a plan on which all the business interests of the state could be concentrated.

This plan will be prepared and offered to the state legislature for approval and people of Georgia will be asked to vote on the proposed amendment at the next general election in the event it is passed by the assembly.

The Georgia supreme court ruled illegal zoning code passed by the Atlanta city council, and the amendment would be to empower cities to enact effective zoning papers. Mr. Bagdikian presided at the meeting Friday afternoon.

DRY AGENTS SHOOT RATTLER GUARDING MOONSHINE STILL

Snakes when seen through the eyes of an inebriated gentleman are dangerous only when there happens to be poison in the i. g. s. liquor, but the four-foot rattler found in close proximity to a still captured by prohibition officers Friday near Douglasville was decidedly a reptile of another color than pink, the agents said on their return to the city.

In order to seize the still beer and deodorizer Agents Weaver, Crow and Wallace found it necessary to shoot the rattlesnake they found guarding the still. Whether or not the rattler was a pet of the moonshiner who operated the still was not determined, as that gentleman had decamped in advance of the prohibition raid.

HAYES MURDER TRIAL DELAYED TO JULY 5

Trial of J. C. Hayes, charged with the murder on May 6 of M. J. Edmondson, of 109 Woodward avenue, postponed until Tuesday, July 5, when called Friday before Judge G. H. Howard in Fulton superior court.

The postponement was granted on application of Attorney Eugene Dickson, who has been retained by Hayes, and an agreement with Solicitor General John A. Boykin.

Edmondson was struck on the head with a poker alleged to have been hurled at him by Hayes as the victim stepped from his front door onto the porch. The men are said to have quarreled and had not been on speaking terms for a number of days prior to the slaying.

Capitol Renovation Is Urged By Former Representative

BY PAUL STEVENSON.
Recently a visitor from another state walked through the corridors of the state capitol, gazed on the litter of fallen plaster, inspected the peeling paint in early all parts of the interior, saw the smoke begrimed walls and stained and battered woodwork, noted the general dilapidated appearance of the legislative halls and corridors. He stopped to accost a state official and gave rather caustic opinion of the building.

"You know this building, in its present condition, looks like the state of Georgia to me," he said.

The state official received this statement somewhat, but he had no argument to offer. The building was enough to bother the state legislature, which has worked for several years to get the legislature to appropriate money to renovate the building from top to bottom.

"We cannot have visitors to our state making any such remarks as that, particularly when they are true," he said to move the capitol to Macon held up appropriations for the maintenance of the building but this fight long since has ended and Mr. Russell declares that the time has come for the legislature to take definite steps to renovate the building.

In the allotment of seats in the house there was a wild scramble among some of the members for the honor of obtaining the seat next to Mr. Russell. The seat was an attractive woman representative from Fulton county. In this instance Representative A. A. Fowler, of Douglas county, won the seat next to Miss Kempton and is looked upon with envy by his fellow members.

Stripped of his disguise as a representative Mr. Fowler is none other than Alpha A. Fowler, popular Atlanta movie magnate who operates the West End theater and other motion picture interests here. He has lived at Douglasville for many years although operating a business in Atlanta, and in the last race for representative in his county won out over two opponents.

The same energy he expends in exploiting his motion pictures in the legislature is expending in the government machine.

Cook and Will Gunn Lose Out in Semi-Final Round

Gene Loses to Heath; Ehle Beats Young Will

Final Round of 36 Holes To Be Played Today Between Heath, of Charlotte, and Ehle, of Asheville.

BY WHITTNER CARY.

Charlotte Country Club, June 24.—(P)—Jack Heath, of Charlotte, and Harry Ehle, of Asheville, tonight are knocking at the throne room of southern golf. The question of which will be answered tomorrow over the gruelling 36 holes of the final.

Reaching the final round Harry Ehle disposed of the youthful Atlanta hope, by the one-sided score of 6-5, while Heath blasted the final bid of the Gate City when he took the measure of Gene Cook in a nerve-racking match by the count of 1-up. And so as the sun sinks behind the Mecklenberg hills tonight, it is a Carolina final that awaits the dawn of tomorrow.

It was a terrible ending for Atlanta to a day that started out so full of promise. For the morning, that saw the round before the semi-finals played with a 2-1 victory of Will Gunn over J. B. Gordon, of Rome, while another semi-final bracket was filled by a second Atlanta entry in the person of Gene Cook, who disposed of W. B. Mason, of Asheville, 5-4.

At the lunch hour it was hard to see why at least one Gate City representative should not go to the final. But the afternoon brought nothing but heartache, misery, anguish, disappointment and chagrin for the boys who live near Five Points.

In order to get the sad tidings over as quickly as possible let's begin with the Cook disaster.

Gene Way Off.

Gene, who had been shooting wonderful golf up to the meeting with Heath and who had been slaughtering the opposition with one-sided scores, was badly off this afternoon. To a yet worse would be to slander a game that is much better than the brand that spelled his downfall against the Charlotte star. His driving was, on the whole, very good. His putting, while not brilliant, was good enough. But it was his iron shots that told which he is supposed to be best with, that dug his grave this afternoon. Time after time his drive could split the fairway only to be followed by an iron shot that landed his ball in one of the many traps that dotted his pathway.

Heath shot a brand of golf that was brilliant from the tee, very steady as to iron play, but woefully spotted on the greens. It was because of his inability to sink short putts that kept the match from ending long before it did. Heath started off with a drive that sent his supporters into a salvo of applause. It went fully 200 yards down the fairway and left him an easy approach to the green. He was on in two, but needed two putts which halved the hole.

First Blood.

First blood came to Cook when the second fell to his par four. Heath missed a two foot putt at this hole. Gene became two-up at the short third when Heath missed another short putt. At this stage of the proceedings Gene was playing like a machine. His drives were spitting the fairway, his irons were dropping on the green and he was taking only two putts.

Came disaster.

The fourth hole saw Heath make one of his rare excursions to the rough with his shot. Gene also was in the rough, but not as bad as his opponent, and right here came the turn of the tide. When those two golfers stood on the fourth tee there seemed little chance for Cook to lose that match. When Jack Heath made his iron shot to the green from the deep rough and Gene pulled his to the trap at the left of carpet, old fate, destiny, or whoever controls the golfing scores of we poor mortals, wrote something opposite that match and from then on it was as good as over. Gene was never the same. Up to that time he had been in front showing the way. After Jack got the par four at that hole while Cook took a five, it was the Atlanta boy who was quickly to do the hard work.

Heath's win of this hole was quickly followed by his squaring the match at the fifth when Gene again made a visit to a trap and took a five.

More misery dealt the Atlanta hopes at the par-four sixth when Gene was over the green and Heath took a five which sent him the hole as Heath got down in par figures. From two-up, Cook had now become one down and all in the short space of three holes. A breathing spell was

HAWK-EYE-INC SPORTS

BY DICK HAWKINS.

Speaking of Good Times.

Any man who will ride 360 miles through the intermittent heat and rain of Georgia to attend a one-day trap shoot and barbecue might be adjudged a victim of some dementia, but for the fact that said shoot and barbecue were held in Waynesboro, Ga., where Joe Reynolds, Sim Bell, Charlie Skinner and the rest of their crowd start entertaining about where all the rest of the world leaves off.

The shoot itself was more than successful from every angle but the Atlanta target ticklers were very rude and took away nearly all of the prizes when there were really enough to go all around.

This type of rudeness, however, will find ready pardon in Atlanta, where the return of trophy winners is a most common phenomenon.

The shoot itself was featured by the work of Dick Gray and Sam DuBose, who won their respective classes in the 16-yard singles event with ease, but more of that story later—right now we take the liberty of stating that when Waynesboro barbecues there is nothing left to do but sit down at the whistling barbecue ever barred.

Just try and imagine entering a huge dining hall with about 150 other hungry guests. Then sit down at the table and have the following: Barbecued lamb and pork, boiled Irish potatoes, sliced tomatoes, onions and cucumbers, sweet corn on the cob, Brunswick stew, rolls, cornbread, Saratoga chips, coffee, tea or milk. There must have been much more on those tables but just in case someone should read this while food was not handy we hesitate to call to mind the rest of the menu.

That barbecue was a misrepresentation pure and simple. It was not a barbecue, it was a banquet fit for a pair of kings or a full house, for that matter. Thus ended a perfect day at the traps.

They're Coming.

In our story from Waynesboro we praised the shooting of Dick Gray and Sam DuBose but the space limitations would not permit even half of what we would like to say of these two young shooters.

Both men were shooting against a huge field of experienced trap experts and the scores of both, though listed in lower classifications, were better than the scores which won the class C trophy above them.

Sam has been shooting but little more than two months and Dick has followed the traps perhaps twice that long. It was Sam's first trophy at a registered shoot and if he shoots for a lifetime he will never stage a more thrilling victory. He shot like a veteran despite the heat and the fact that he was entered in his first big one-day shoot. That was Sam's first trophy but you may wager that it won't be his last.

100 Per Cent Attendance.

There were many big delegations at the shoot Thursday but there was only one town who could boast a 100 per cent attendance. Charlie Rountree of Egypt, Ga., was there and Charlie being the only member of the club in that city he constituted a perfect score on attendance. Incidentally, it is of interest to know that the traps call forth something of college spirit. Charlie came from Egypt to attend the shoot with an injured leg which should have kept him in bed rather than out in that heat at the post banging away at clay targets. It gets in the blood just like any other sport.

ROBERT SHAW SANDLOTTERS NOW LEADING CLASH TODAY IN BOAT RACE FOR '27 TITLE

Memphis, Tenn., June 24.—(P)—Miss Vicksburg, piloted by Robert Shaw, continued to lead the seven motor boats competing in the lakes-to-the-gulf race, when she arrived at Memphis late today on the 170-mile jump from Caruthersville, Mo. Her running time was 6 hours and 17 minutes.

Miss Vicksburg docked at 4:32 p. m., followed eight minutes later by Miss Peoria, piloted by William Stone. Miss Chicago, which some said a damaged her propeller, arriving at 5:20. Miss Memphis broke a propeller shaft and stopped at Luxora, Ark., for repairs. She was expected some time during the night.

The boats left Caruthersville at 7:15 o'clock this morning, stopping at Luxora, Ark. for two hours and a half for lunch. After spending the night here, the racers will leave tomorrow for Roscoe, Mo.

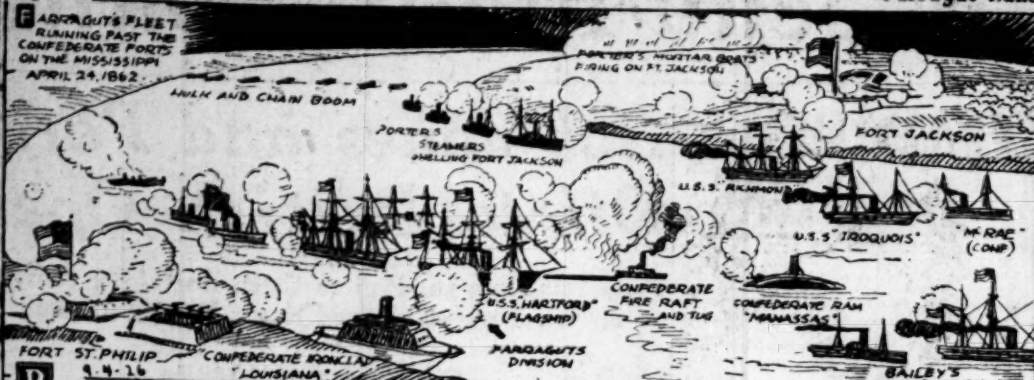

Memphis is the halfway point on the longest race for motorboats ever staged. The racers are due in New Orleans Wednesday, completing their 1,800-mile journey.

Buffalo, N. Y., June 24.—(P)—Louise Fordyce, Youngstown, Ohio, and Virginia Van Wie, of Chicago, will make the final run in the final round for the Country club's seventh annual invitation golf tournament championship.

Miss Fordyce dashed the hopes of local fans when in today's semi-final she defeated little Peggy Watters, the 16-year-old Waukegan club representative, 5-3. Watters, who scored a clean-cut 4-2 victory over Virginia Wilson, of Chicago, winner of the 1926 tournament and the defending champion this year.

HEIR TO MILLIONS
KILLED IN PLANE

Pottsville, Pa., June 24.—(P)—James Theodore Walker of St. Louis, heir to a \$5,000,000 estate, was killed, and his cousin, G. L. Lambert, son of the owner of the Lambert Pharmaceutical company, St. Louis, was injured in an airplane crash near here today.

Both were graduated from Princeton university this week and were on their way home when the accident occurred.

Coming across the mountainous region of the anthracite coal fields, the motor of their plane began to give them trouble and Lambert, owner and pilot of the machine, decided to land. He had been flying low. As he banked the plane preparatory to landing, the motor failed to respond and the ship went into a tail spin.

It fell about 300 feet, according to witnesses, plowed a grain field for about 40 feet and drove its nose nearly four feet into the ground.

Lambert was able to crawl from the plane, but Walker lay motionless.

Farm hands saw the crash and rushed to their assistance. The plane did not catch fire and rescuers quickly lifted the unconscious form of Walker from the machine.

The accident occurred in a remote farming section known as Black Horse.

A phone call to the Pottsville hospital, 10 miles away, brought an ambulance and a physician. Walker was still unconscious when the doctor reached him, but was pronounced dead when the ambulance reached here.

Lambert, so far as physicians could determine, was not seriously injured. He has no broken bones and unless some internal injury should develop, he is expected to be about again in a day or two. He is suffering much from shock.

Golf Clubs Found.

Lambert and Walker left Lawrencefield at Princeton before noon to fly to St. Louis by easy stages. They contemplated a stop at this afternoon at Belvidere in central Pennsylvania, where the air mail service maintains a landing field, and play golf at a nearby club. Golf clubs belonging to the two young men were found in the wreckage.

Walker's body still in the Pottsville hospital tonight awaiting instructions from the family in St. Louis.

MAN SHOT BY SISTER

NEAR DEATH'S DOOR

Tuscaloosa, Ala., June 24.—(P)—Shot through the right lung by his sister during last night, Frank Hunsberr, 32, was at the point of death in a hospital here today. The sister, Olga Hunsberr, is held in the county jail pending the outcome of his wound.

The young woman told authorities that she had fired the shot because of the company she kept. "Last night she said she entered her bedroom and found her brother, who she thought was asleep, sitting up in bed. She drew a pistol from beneath her pillow she said and shot him. She then arose, went to a deputy sheriff and told him what had happened. Physicians had little hope for Hunsberr's recovery."

er wife, Raymond Griffith will bring in the body to the Rialto next week in "Time to Love."

BLACKMER'S TAX

55 ARE INDICTED

RETURN IS PROBED

IN FAILURE

WASHINGTON, June 24.—(P)—Harry M. Blackmer, the oil man sought by the department of justice as a witness in the Teapot Dome oil case, may have another government department to deal with.

It was disclosed today that the treasury department is giving close scrutiny to Blackmer's tax returns of past years. Officials at the internal revenue bureau refused to comment on this phase of the case in any way, however.

Blackmer has been served with a subpoena in Europe and his passport has been revoked, but there has been no indication that he would comply with the summons to appear at the trial of Harry F. Sinclair and Albert B. Fall, now set for the autumn.

Should the treasury make charges against him, however, it will not be possible to bring him to the United States by extradition under the treaty with France, which does not cover tax cases. Officials have been doubtful that he could be forced to return by the subpoena, although the law requires forfeiture of his property in the United States if he persists in absconding himself.

The testimony of Blackmer and James P. O'Neil, another oil man, both of whom are in Europe, has been vigorously sought by the government counsel in the oil cases. O'Neil never has been served with subpoena.

Inaugural Reception Features Saturday's Social Calendar

Again a cycle of four years has brought Georgia to the threshold of another inauguration with its accompanying social festivity, the inaugural reception. Prominent citizens from all over the state will gather this afternoon at the executive mansion to pay honor to the newly-elected governor and the new first lady of Georgia. The reception will follow the inaugural ceremonies at the capital, the calling hours being from 3:30 to 5:30 o'clock. Senator E. B. Dykes, president of the senate, and Mrs. Dykes, with Representative Richard B. Russell, Jr., speaker of the house, and Mrs. Russell, will assist Governor-elect Hardman and Mrs. Hardman in receiving.

Ranking second in importance on today's social program is the marriage of Miss Maude O'Keefe Powers to Ernest Penney Earnest, which will be solemnized this evening at the home of the bride-elect's parents on Peachtree circle. The interest of Atlanta society also extends across the Atlantic, for today Miss Frances Lucille Howard, a former popular Atlanta belle, will wed John Fox, Jr., of Chicago, in Liverpool, England. Another distant marriage engaging the attention of Atlanta's social element is that of Miss Alice Gertrude Seely to John de Walden Eller, which will be solemnized at high noon in Baltimore, N. C., the family of the lovely bride-elect formerly residing here.

The outstanding event scheduled for today at the social club is the Mexican dance at the East Lake Country club this evening. The picturesque terrace of this popular club will be decorated to imitate a bull ring in a Mexican city. To make the party event more bewitching and similar to a Mexican social affair, the management has engaged Kim Kalo's native Hawaiian 10-piece orchestra to furnish the music.

The dinner-dance this evening at the Piedmont Driving club will bring the week's social gayeties at this fashionable club to a delightful climax.

Other social affairs today will honor a number of interesting visitors, including Miss Ruth Pringle, of Charleston, S. C.; Mrs. W. H. McKleroy, of New York; Mrs. Guy Stambaugh, of Butte, Mont.; Miss Dorothy Hayes, of Newport, R. I.; Mrs. Joseph A. Nichols, of Sarasota, Fla.

Miss Cook Weds Robert G. Connally At Church Ceremony

The marriage of Miss Elizabeth Cook to Robert G. Connally was solemnized Friday evening at the Oakhurst Baptist church. The Rev. Alex Copeland, relative of the bride, and the Rev. F. W. Rollins, pastor of the church, performed the ceremony in the presence of a representative gathering of relatives and friends.

The church was appropriately decorated with ferns and garden flowers. Preceding the ceremony Mrs. T. H. Wingfield sang "O Perfect Love," the wedding march from "Lohengrin" being used as the processional.

Lamar Barnes, Milton Carswell, Lynwood Stapleton and Maurice Campbell acted as ushers. The groomsmen were Howell Green, Jr., John Weems and Emmett Cadwell.

The bridesmaids were lovely in pastel shades of organdie with large bouquets of sweet peas. They were Misses Helen Causey, Madge Buford and Gladys Austin.

Miss Marjorie Cook, sister of the bride, who acted as the maid of honor, was charming in a lovely frock of rose crepe trimmed in velvet and lace, which was offset by her corsage of sweet peas.

Next entered the flower girls, little Misses Dorothy Scott, who wore a dainty frock of pale green georgette, and Virginia Welch, who was lovely in a yellow frock, who scattered petals in the path of the bride.

Little Walter Christie, Jr., acted as ring-bearer.

The bride entered with her father, Maurice Hatch Cook, and was met at the altar by the groom and the best man, Sharp Wall. Her beauty was enhanced by a gown of white crepe de chine, embroidered in seed pearls, and a handsome shower bouquet of sweet peas.

Immediately following the wedding a reception was held at the home of the bride's parents, Mr. and Mrs. H. C. Cook, 810 W. College avenue, Decatur.

The young couple left later in the evening for a trip to North Georgia and Tennessee, the bride wearing a becoming model of changeable rose and gray satin. After the trip they will be at home with the bride's parents, 810 West College avenue, Decatur.

Mr. and Mrs. Beam To Give Dinner For Mr. and Mrs. Rayfield

Mr. and Mrs. Jerome C. Beam will entertain at dinner Saturday evening at the Druid Hills Golf club, complimenting Mr. and Mrs. Frederic Rayfield who leave Atlanta for Chicago for a visit to relatives in Chicago, before going to New York, from whence they will return to the United States.

Mr. and Mrs. Rayfield have resided in Atlanta at the Georgian Terrace for the past eight years and have made a wide circle of friends. They will spend a year in Europe, going to England to visit Mrs. Rayfield's relatives in London for several months and will tour the continent in the fall. Mr. and Mrs. Rayfield expect to return to Atlanta for residence after their return from abroad.

Miss Grace Powell Honors Visitors.

Miss Holley Honors Miss Helen Bell.
Miss Katherine Holley was hostess at a dinner party last Sunday in honor of Miss Helen Bell, whose marriage to William Holley, Jr., of Louisville, Ky., will be solemnized June 23. Green and white were used as the color motif for the occasion, and tiny brides marked the places of the guests.

The guests were Misses Helen Bell, Mary Hunter, Lois Bell, Sara Kenrick, Maxine Kenrick, Sue Kenrick, Ada Smith, Ruth Beacham, Frances Walraven and Katherine Holley.

Miss Novella Sears Honors Miss Kooitz.
Miss Novella Sears entertained at tea at her home on Sherwood road Friday afternoon from 3 to 5 o'clock in honor of her guest, Miss Erna Kooitz, of Bedford, Ind.

The receiving list consisted of Miss Eileen McKinnay and Miss Nancy Lippitt. Punch was served by Helen Ballard.

Mrs. Davis Compliments Miss Maude Powers.
Mrs. Franklin B. Davis entertained at a buffet supper Friday evening at her home on Huntington road, following the wedding rehearsal of Miss Maude O'Keefe Powers to Ernest Penney Earnest.

The spacious home of Mrs. Davis was artistically decorated with gladioli and sweet peas, the shades of white and pink predominating.

Mrs. Davis received her guests in a becoming gown of apricot georgette trimmed in silver, fashioned in a bouffant style, which was offset by a corsage of sweet peas and roses. Miss Powers was gowned in an orange chiffon frock, made bouffant style, with a silver rose worn on the shoulder.

Adolph Menjou Film Features Children's Matinee
Adolph Menjou features "The Social Celebrity" at the children's matinee at the Georgia Theatre, starting at 2:30 o'clock. Admission, 10 cents for children of school age, and 25 cents for adults.

Another hilarious feature is the Animated Hair Cartoon, "A Real News" reel will prove a real treat. Complimenting the matinee youngsters will be a present of "bobs" for girls, the gift of the S. A. Clayton hair-dressing shop, on East Hunter street, and haircuts for boys, donated by the Limbach shop in the Healey building. Other prize winners will be given matinee tickets.

The program, arranged by Miss Virginia Semon, has five different kinds of dances. Julian and Henry May have a dance called "The Golden Dream." Jacqueline Gullatt does an acrobatic "stunt." Virginia Coppock, a "waltz eel," while Janie Williams, Erma Llorens, Jeanette Young and Sarah Guiffria are seen in a "cap dance." The little favorites, Julian and Henry May, are seen again, this time accompanied by their brother, Oscar, in a lovely and graceful Spanish dance.

The best of care will be taken of the little ones Saturday by the committee headed by Mrs. John G. Courtney. Ten Boy and ten Girl Scouts and a number of mothers of the Atlanta Better Films organization assist.

New York, June 24.—(P)—The cotton market was comparatively quiet today with prices generally lower under a near normal liquidation and selling of late deliveries which appeared to be promoted by a more favorable opinion of weather conditions in western and central belt sections. After selling off to 16.17 in the late trading, and closed at 16.22. The general market closed steady at net declines of 3 to 4 points.

The opinion was barely steady at a decline of 4 to 7 points on the more favorable view of the weather map, while there may also have been some selling on reports from the west that the Cotton Yarn association in Manchester had decided to increase the curtailment of production, reducing it to about 80 per cent of normal, and to be met with the present rate of 75 per cent. Initial offerings were readily absorbed, however, with spot interests buying of July to 16.17, and of late deliveries while there was some trade buying and covering in new crop months.

This demand seemed to be stimulated to some extent by the detailed weather reports showing further showers or rains in eastern belt sections and private reports that the west was increasing. The market closed at 16.22 or back to yesterday's close, while December rallied from 17.12, the early low level, to 17.18, or within 2 points of yesterday's closing quotations.

These bulges met increased offerings during the afternoon, when there

seemed more disposition to liquidate long contracts for over the week-end, but the unsettled eastern belt weather and heavy overcast conditions were tending to stabilize. July sold off to 16.50 and December to 17.10, net declines of 8 to 10 points, but a few points of losses were recovered in late trading, the attention of traders during the day appeared to be centered on the evening-off of July contracts in preparation for probable notices next Tuesday, although the buying against sales later deliveries at a difference of about 36 to 37 points between July and December, was regarded by some operators as establishing a basis for further liquidation.

Exports today, 23,238 bales, making 10,730,285 for the season. Port receipts, 8,984. United States ports, 1,227,914.

MARKET IS DULL AT NEW ORLEANS.

New Orleans, June 24.—(P)—An indisposition to operate in advance of the first notice day for July tomorrow caused the cotton market to become dull and uninteresting today. Prices fluctuated aimlessly and after declining in the early trading rose to 16.54 for July or two points above the previous close. The market turned easier later and despite a fair rally in the late trading closed at net losses for the day of 3 points on all active months.

After an irregular opening the market turned on the downward. Additional July liquidation and selling of late deliveries which appeared to be promoted by a more favorable opinion of weather conditions in western and central belt sections. After selling off to 16.17 in the late trading, and closed at 16.22. The general market closed steady at net declines of 3 to 4 points.
